

Indigenous Engagement Award

Recognising collaboration between Aboriginal-owned businesses and mining and minerals processing companies operating within Australia.

Please list the initiative or program name (as it should appear in marketing and communications).

When was the initiative introduced?

1. Explain what the program or initiative is and provide examples of how the program or initiative has resulted in shared value for example, through community investment or employment. (50 points)
2. Explain how the program aims to continue to provide shared value into the future, for example through expansion/widening of the program or initiative. (50 points)
