

Innovative Mining Solution

Recognising a mine, company, or project that has developed a unique mining solution.

Please list the solution name (as it should appear in marketing and communications).

When was the solution introduced to the market?

1. Explain how this solution is superior to others that may provide the same outcome. (20 points)
2. Showcase how solution improves at least one of the following: productivity, efficiency, safety, cost-savings. (40 points)
3. Include a case study demonstrating success at an Australian mining or minerals processing operation. (40 points)
