

Outstanding Mine Performance of the Year

Recognising a mine that is performing well and has carried out an innovative project, partnership, initiative or program. The relevant time period for mine performance or for the innovative project or program to have been launched is within two (2) years of the nominations' closing date.

Please list the mine/project name (as it should appear in marketing and communications).

List the start period of the mine performance and project.

Please provide a brief nomination summary, which will be used in any marketing (100-150 words).

1. Provide examples of mine performance trending up for the relevant time period. As a guidance, mine performance can be demonstrated across one or more of financial, safety or efficiency performance. (50 points)
2. Explain any new projects, programs, partnerships or initiatives undertaken by the mine and any demonstrable outcomes achieved. (50 points)
