

Project Lead of the Year

Recognising an individual who has led a project on a mine site to a successful outcome. This could be an internal project at a mine or a project led by a supplier or contract miner. The project must have been undertaken/implemented within two (2) years of the nominations' closing date.

When was the project implemented?

Please provide a brief nomination summary, including on the nominee's role within the business, which will be used in any marketing (100-150 words).

1. Explain the programs or initiatives the nominee created or led during this time period, including examples of demonstrable success of this project. (50 points)
2. Explain how the individual may have impacted on others or the business during their time leading the project, for example, mentoring, community projects, safety initiatives, improved financial outcomes. (50 points)
