

Safety Advocate of the Year

Recognising an individual that is committed to ensuring safety – either for an individual site or company, or for the mining industry as a whole. Individual must have been involved in a safety function or be clearly advocating for safety for 12 months or longer prior to the nominations' closing date.

When did the individual become involved in safety?

Please provide a brief nomination summary, which will be used in any marketing (100-150 words).

1. Provide background on the individual's role within the business/industry and explain any initiatives or programs the individual has created or led to improve safety within the industry or their workplace, or any other ways in which they have advocated around safety. (50 points)
2. Provide examples of measurable success as a result of these initiatives or programs. (50 points)
